

City of HELL.A.

I'm a coward but I'm gonna act brave
Get your revenge when you're pissing on my grave

Can't wait til you're sitting in your cell
get your revenge when i'm burning in hell

Empty out all your pockets
where you hiding all the yay
you've been arrested just because i'm an asshole
this time you're gonna stay, feeding off your pain
welcome to the city of hell.a.

come on over gonna ruin all your fun
you punks had better listen cause you know i got a gun
got my badge, it's authority
i'm the real menace to society
fuck the lapd

Empty out all your pockets
where you hiding all the yay
you've been arrested just because i'm an asshole
this time you're gonna stay, feeding off my pain
welcome to the city of hell.a.
